

# Wine Cellar Design & Storage Questionnaire

When you fillout this questionnaire, CoastalCustomWineRooms.com can provide you with a complete custom wine cellar design to suit your space and budget needs.

## 1- Tell Us About Your Cellar Project.

What type of storage solution are you looking for?

- Climate-Controlled Enclosed Room     Bar / Entertainment area     Kitchen / Dining storage  
 Other (please describe)

What is the overall intent of your desired storage solution?

- Showcase     Practical Storage     A little of both

What is your timeline for completion?

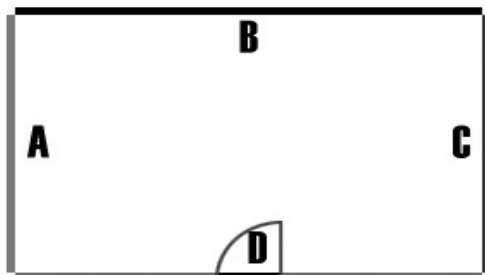

How would you describe your budget?

- I'm looking for the best quality and design and price is important but not the main deciding factor.  
 I'd like to be practical, but I'm willing to spend a little extra on the right design if necessary.  
 I'm on a tight budget and every dollar counts.

## 2- Tell Us About Your Wine Cellar Space.

Is this new construction or an existing room?     New     Existing

If Existing, what construction phase are you currently in?     Raw space     Framed  
 Framed & Sheetrocked     Ready for Racking

What are your wall measurements?

- Wall A     Ceiling Height  
 Wall B  
 Wall C  
 Wall D - left of door  
 Wall D - door opening  
 Wall D - right of door

Do you have any obstructions in the room? (windows, soffits, pipes, electrical boxes etc.)         I have an odd shaped room and will be including a layout of my space with this questionnaire.

Which walls would you like racking on?

- Wall A     Wall B     Wall C     Wall D     Rack all walls

## 3- What Are Your Environmental Control Preferences?

Will your wine cellar require an environmental control system?     Yes     No     Not sure

What type of unit will best suit your needs?     Through the wall     Split system  
 Ducted unit     Not sure

Will your cellar require a humidification system?     Yes     No     Not Sure

Please describe where the system will be located. \_\_\_\_\_
